Important Announcement

For Developers

Provision of Postal Address Requirements

Please note that we do not make connections **UNTIL** we are in receipt of the new postal address allocated by the local authority. This needs to be a copy of the notification issued by the local authority.

It is the developer's responsibility to provide details of the correct postal address for each new connection being made. This information helps us record the details on our billing system.

Will your connection be affected?

Yes: If your application is for -

- Brand new dwellings/units
- Property conversions where new dwellings/units are created

No: If your application is for –

• Existing property having a replacement/separation supply only

Do not delay getting YOUR connection. Contact your local authority at the earliest opportunity for your notification of postal address and then:
